

Yaron Azrieli - CV

PERSONAL INFORMATION

Address:

Department of Economics
The Ohio State University
465B Arps Hall
1945 N. High Street
Columbus, OH 43210
Email: azrieli.2@osu.edu

Date and place of birth: 21.12.1975, Israel.
Marital status: Married to Liel, Father to Uri.

EDUCATION

2004-2008: Ph.D., Probability and Statistics
Tel-Aviv University
2002-2004: M.Sc., Statistics and operations research (summa cum laude)
Tel Aviv University
1998-2001: B.Sc., Mathematics and Statistics (magna cum laude)
Tel-Aviv University

PROFESSIONAL POSITIONS

2008-present: Assistant Professor in Economics, The Ohio State University.

PUBLISHED AND ACCEPTED PAPERS

1. Y. Azrieli and E. Lehrer, "Categorization generated by extended prototypes – an axiomatic approach".
Journal of Mathematical Psychology, **51** (2007) 14-28.
2. Y. Azrieli and E. Lehrer, "Market games in large economies with a finite number of types".
Economic Theory, **31** (2007) 327-342.
3. Y. Azrieli and E. Lehrer, "On some families of cooperative fuzzy games".
International Journal of Game Theory, **36** (2007) 1-15.
4. Y. Azrieli and E. Lehrer, "Extendable cooperative games".
Journal of Public Economic Theory, **9** (2007) 1069-1078.
5. Y. Azrieli and E. Lehrer, "The value of a stochastic information structure".
Games and Economic Behavior, **63** (2008) 679-693.

WORKING PAPERS

1. Y. Azrieli (2008), “On pure conjectural equilibrium with non-manipulable information”.
2. Y. Azrieli (2007), “Categorization and correlation in a random-matching game”.
3. Y. Azrieli (2008), “Categorizing others in a large game”.
4. Y. Azrieli and R. Teper (2008), “Uncertainty aversion and equilibrium existence in games with incomplete information”.

CONFERENCE PRESENTATIONS

- Third world congress of the game theory society, Evanston, IL 2008.
- Spring Meeting of Young Economists (SMYE XII), Hamburg 2007. Winner of the best paper award.
- Second world congress of the game theory society, Marseille 2004.
- Foundations of Utility and Risk conference (FUR XI), Paris 2004.

SEMINAR PRESENTATIONS

2008

University of Bonn (Germany), University of Heidelberg (Germany), University of Kansas, Rice University, Ohio-State University, University of Maastricht (The Netherlands), INSEAD (Fontainebleau campus, France), Bocconi University (Italy), Hebrew University of Jerusalem (Israel).

2007

Tel-Aviv University (Israel).

2005

Technion - Israel Institute of Technology (Israel).

2004

Tel-Aviv University (Israel).

TEACHING EXPERIENCE

2002-2008: Instructor, School of Mathematics, Tel-Aviv University, Israel.

Courses taught: Introduction to probability theory, Probability theory, Probability for engineers.

AWARDS

2004 - The Yaakov Blecher award for excellence in M.Sc. studies, Department of Statistics and Operations Research, TAU.

2001 - Excellence in B.Sc. studies, School of Mathematical Sciences, TAU.

REFEREE FOR

American Economic Review, Econometrica, Games and Economic Behavior, Mathematics of Operations Research.
